# Mega Mini Cross Stitch: 900 Super Awesome Cross Stitch Motifs

## Synopsis

Hundreds of small, super-easy shapes and motifs for the cross stitcher! This simply fabulous collection from Japanese cross-stitch sensation Makoto Oozu is packed with 900 tiny motifs to use on everything from badges and hankies to T-shirts and bags. Arranged by theme, the designs include the alphabet; toys (Teddy Bears, computer games); trendy accessories, like sunglasses and jewelry; chic shoes and boots; sports gear; cars; animals; food, and much more. Follow the step-by-step cross-stitch instructions for beginners, and you'll soon be stitching these super-awesome motifs onto everything!

Best Sellers Rank: #99,983 in Books (See Top 100 in Books) #10 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Cross-Stitch

## Customer Reviews

After graduating from university and working in a craft shop, Makoto Oozu began a career as an independent cross-stitch designer. He has revolutionized the cross-stitch world with his fresh designs, making cross stitch more accessible to young women and men. He has now released books of his designs, and teaches cross-stitch workshops all over Japan. He lives in Tokyo where he runs his design company Oozu Inc.

This is my second book by Makoto Oozu and I love the variety of patterns. I have already stitched a few designs; they are unique, simple to stitch and fun to incorporate into your own designs.

Love this! So many cute designs that will work perfectly for beaded loom bracelets.

Fantastic book with perfect little ideas for fun projects. My son loves it!

Book has looks of cute patterns.

I love this book! I love the instructions and the full colored stitched pieces in the front pages and the patterns in the back. Very useful and handy! I love the designs and the book.

Its a very nice book of 95 pages (30 basic cross stitch techniques and 33 stitching charts) it has nice ideas for many occasions/ shops but i still was expecting to see more items and themes (i.e. countries, hobbies...)But its a very good book to buy ASAP for the cross stitch lovers

Not as good as expected. I wasn't impressed by the designs and I don't like that all the completed designs are together and then just pages of black and white designs. The Maria Diaz books are far better.

great book, was right for my purpose....just hated that it took so long to receive - purchased used
