Experience Of Buddhism: Sources And Interpretations

Synopsis

This comprehensive anthology provides translations of texts illustrative of Buddhist philosophy and doctrine as well as descriptive, concrete accounts of Buddhist practices, rituals, experiences, and life situations. This approach does not neglect one dimension of the religion in favor of another and allows instructors to choose what they wish to emphasize in the classroom. The book also covers the development of Buddhism in a wide variety of geographical and cultural areas (India, Southeast Asia, Tibet, China, and Japan), and gives a sense of the historical evolution of the tradition in these areas.

Text: English (translation) Original Language: Chinese, French, Japanese, Tibetan

John S. Strong is the Charles A. Dana Professor of Religion at Bates College. He received an M.A. from Hartford Seminary and a Ph.D. from the University of Chicago. His research and teaching focuses on the History of Religions, Asian Religions, and Buddhist Studies.

The presentation of primary texts combined with commentary is an excellent presentation of Buddhist thought. Several historical and philosophical strands can be followed easily with this book. The organization and topical layouts allow the reader to move easily through the texts and focus in on areas of interest. Strong maintains acceptable historical objectivity within the context of a

sympathetic presentation, allowing the reader to draw independent conclusions. Any student of Buddhism will benefit from this book.
