A First Book Of Great Composers: For The Beginning Pianist With Downloadable MP3s (Dover Music For Piano)

Synopsis

This new gathering of the world's greatest classical themes follows Bergerac's highly successful *My First Book of Classical Music*. Here are ever-popular themes from the symphonies, concertos, and operas of such masters as Bach, Beethoven, Brahms, Chopin, Mozart, Haydn, Tchaikovsky, Verdi, and many others, presented in easy-to-play formats for children and beginners of any age. This collection includes a free MP3 download for every piece, which will help beginning pianists develop an ear for the melodies. The MP3s may be downloaded individually or collectively.

Customer Reviews

Useless. Fragmentary, laid out with a lot of wasted space.

I purchased this book for one of my young piano students. I am not very happy with the arrangements in it. Some of them are unrecognizable and very unpleasant to the ear.

I bought this book so that my piano students could consider what SIMPLIFIED classical music they might want to play. It seems suitable to their difficulty level, or at least the easier pieces are, and it is whetting their appetite for more. The biographical notes are concise and well-written. Make sure that

the difficulty level is right before you buy this, though. The pieces are simplified, but not for the first piano lesson.

Not for beginners. Great selection of music that all pianists need to learn. Written well. Students have positive attitudes with this book.

Ah.h.h.h....the sweet sound of little fingers playing the classics! This is more for the second year student than the beginning student. Some of the pieces are more complex than others, so let your student guide you as to what they are ready to handle. We don't want to discourage them. It is a nice book to have on the shelf so that when the student shows interest in progressing, you have just the book for him ready and waiting.

Has had had had had had y a little faint yet cheerful disposition. I'm my haste i regretted none of the latter.

We have just begun using this with great joy.

great
