Frommer's Bermuda 2012 (Frommer's Complete Guides)

Synopsis

Completely updated every year. Insider advice on the best beaches; shopping at luxury boutiques and local markets and scuba diving and adrenaline adventures. Where to find the freshest seafood, the most secluded beaches, the top diving sites, and charming guesthouses that won't bust your budget. Insightful commentary on Bermuda's history, architecture, local artists, and the island's flora and fauna. Opinionated reviews. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--they tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people.

Customer Reviews

Visit the architecturally rich, 400-year-old town of St. George, a UNESCO World Heritage Site. See chapter 7. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Veteran travel writers Darwin Porter and Danforth Prince have written many popular Frommer's guides, including Italy, England, and Spain. Both journalists are island specialists, having written Frommer's first-ever guide to Bermuda, which each of them discovered during spring breaks in their college years. The travel-writing team has written many island guides, including the Caribbean, The

Bahamas, Puerto Rico, Barbados, and the Dominican Republic.

Good book to use before you get there but same information for free on the Internet. I don't think we used it at all in Bermuda. Most hotels have some one to help guide you and local people are always willing to go out of there way to help. There is also a lot of literature for free there.

You can always count on Frommer's to be as current as possible for a printed travel guide. I found great ideas for sites to visit that many of the online tourism sites neglected to mention. Most useful is the parish-by-parish guide. This is a must pack travel guide!

Just got it to start think about the trip to Bermuda. Easy to read and look for places to visit. Outstanding book for the price and no worse that any 2014 editions.

As advertised. Good condition

I purchased this book and the Foder's Bermuda book before traveling to Bermuda a while back. I used them both in advance of and during my trip. Helped immensely in our planning for what was a memorable trip!

Frommer's guides are a huge help when traveling. Their recommendations are right on. I would love to have the job of having to travel to all the places and do the reviews for them.

looks great. got it the next day it seems and a great book. thanks frommers for sure for their honesty

Very concise review of Bermuda with helpful tips and ratings for restaurants, hotels & things to do. Bermuda is small and it is easy to see many of the sights and do many of the things they suggest.
