Customer Reviews

The Trailblazer series stands head, shoulders, waist and ankles above the rest. They are particularly strong on mapping... (The Sunday Times (UK))

Henry Stedman is a hiker of considerable experience, having hiked in many parts of Europe, Asia and Africa. He has been writing guidebooks for more than 15 years.

This book has these incredibly detailed walking maps with little notations, even trees, barns, fences, gates, everything, with fun-to-read descriptions of all. Do not do the Dales Way without this book.
