# **The World As Will And Representation, Vol. 2**

## Synopsis

Arthur Schopenhauer's *Die Welt als Wille und Vorstellung* is one of the most important philosophical works of the 19th century, the basic statement of one important stream of post-Kantian thought. It is without question Schopenhauer's greatest work, and, conceived and published before the philosopher was 30 and expanded 25 years later, it is the summation of a lifetime of thought. For 70 years, the only unabridged English translation of this work was the Haldane-Kemp's collaboration. In 1958, a new translation by E. F. J. Payne appeared which decisively supplanted the older one. Payne's translation is superior because it corrects nearly 1,000 errors and omissions in the Haldane-Kemp translation, and it is based on the definitive 1937 German edition of Schopenhauer's work prepared by Dr. Arthur Hübner. Payne's edition is the first to translate into English the text's many quotations in half a dozen languages, and Mr. Payne has provided a comprehensive index of 2,500 items. It is thus the most useful edition for the student or teacher.

## Book Information

Paperback: 720 pages

Publisher: Dover Publications; 2nd Revised ed. edition (June 1, 1966)

Language: English

ISBN-10: 0486217620

ISBN-13: 978-0486217628

Product Dimensions: 5.5 x 1.5 x 8.4 inches

## Customer Reviews

mind candy

Very difficult to read this book because of the bad scanning technique used. Do not recommend this book to anyone.

Great book and excellent service!

read the complete works of Schopenhauer, never again will I participate in the vile obscenity of capitalism. Good bye forever, .

Not a good copy. The cover looks like it's been copy and pasted and the pages are 12 pt font and double spaced. It looks more like a lengthy senior thesis than Schopenhauer's main works. Also, there is no translation for the Greek and Latin used often. I would suggest a different copy

This is a book you just read and try to understand. Yes it is dated now but it's also the building block for many of the ideas that follow and are taken for granted today. The Kindle copy is clean and easy to read which is not always the case.

Having previously bought The World as Will and Representation, Vol. 1, I was pleased to find Vol. 2. Thank you GoldVictory!

Schopenhauer Arthur
