Swingers

Synopsis

Swinging, swapping, public sex, threesomes, soft-swaps, group sex, and full-blown orgies; everybody has heard about them, and everyone knows someone who knows someone who was rumored to. Answering the questions Who is really doing it? How? Why? What is it like? And what really happens?, this book compiles a host of thrilling true stories from wife swappers and swingers. Presenting the motives, experiences, and aspirations of a variety of genuine couples and singles, it gives insight into the lives of those who participate in this extremely popular activity. Candid interviews present detailed stories about what occurs in bedrooms, private parties, adult clubs, and even public carparks. Most importantly, those people who participate tell the story. --This text refers to the Digital edition.

Behind the scenes account in detail.

I DIDN'T MUCH LIKE THIS BOOK. THIS IS A NEW TOPIC FOR ME TO GET INTO AND I FOUND IT NOT DETAILED ENOUGH. I WANTED MORE OF THE WOMAN'S POINT OF VIEW, NOT THE MEN SO MUCH

Portrayed as an expose that provides an insight to the sexual psychology of the modern woman it is really just a collection of moderately erotic first person swinger stories. You may as well get copy of

Penthouse confessions.
