Customer Reviews

Books in the Snapshots in History series combine facts, photos and additional graphics in a smaller format (6 x 10) that will appeal to students who are interested in war. Double page spreads are clean and well-organized, utilizing a simple framing line --Pennsylvania School Librarians Association

Andrew Langley is a prolific author of books for children, with a special interest in history and the environment. He has been short-listed for several major awards, most recently with books on natural disasters and Hiroshima.

Very interesting. Tells not only the story of the bombings but of the scientists and science involved.
