Modular Origami Paper Pack: Tuttle Origami Paper: 350 Colorful Papers Perfect For Folding In 3D

Synopsis

This paper pack contains 350 sheets of high-quality origami paper printed in 14 different colorful patterns. Modular origami is the art and technique of folding multiple sheets of paper and then combining and interlocking them to create a larger composite geometric model – the results are truly astounding! This origami paper pack includes: 350 sheets of high-quality origami paper A variety of sizes, colors and attractive designs A full-color instructional booklet Instructions for 6 easy origami projects Clear step-by-step instruction Easy-to-follow diagrams The individual modules are folded separately and then assembled to form larger constructions typically by inserting tabs into specially created pockets. Friction and tension between the tabs and pockets hold the models together so no scissors or glue are required – folders can start right immediately after opening the box! Modular Origami Paper Pack is great for any modular paper folder and for those who want to get started in crafting these eye-catching geometric origami models.

Customer Reviews

"Modular Origami Paper Pack by Michael G. LaFosse, Richard L. Alexander is a wonderful book of 3D style designs. This book may seem to be a bit trickier for some beginners, but really it isn't hard to understand and create at all! Each page has easy to follow paper folding of each step, giving the perfect guidance to create these fun and awesome looking shapes, 3D. The paper in this kit is included, so your in no need to buy anything once the book arrives." – Test Try Results blog

Michael G. LaFosse has been an origami artist for over 40 years, and is considered a leading authority and master of the art. An avid teacher, LaFosse co-founded the Origamido Studio, a learning center and design studio dedicated to the art of origami, and the only place in the world specializing in hand papermaking for the origami artist. Author of many books and videotapes relating to paperfolding and hand papermaking, LaFosse produces fine paper art and commercial designs for a variety of international clients. Richard L. Alexander co-founded the Origamido Studio, a teaching center, gallery and design studio, with Michael G. LaFosse in 1996. As a designer, his specialties have included biology (systems ecology) and landscape architecture. Together, Alexander and LaFosse have created over 50 books, kits, and videos about paper and paper arts.

This set consists of a small booklet with directions for 6 modular origami models. The paper included in the set is small, about 3 1/2 inch square.

Nice presentation in approx 7" square box that's about 1" high. Don't be fooled thinking it's full of paper! False bottom in box hold up the 4 packs of 3-1/2" square single-sided origami paper. Good quality origami paper, folding instructions fairly easy to follow.

Paper feels and looks great. I have not made anything with it as yet. Looking forward to using it shortly.

Should have told customers about the size of the origami paper.

Cool! It's great for made beautiful origamis

Nice product when it arrives I imagine still waiting!
