Customer Reviews

This is a wonderful cookbook full of awesome cakes. I've never heard of some of these cakes. I can't wait to bake them. My only problem is with the Swiss Chocolate Cake. It says to frost with Chocolate Torte Frosting. There isn't a recipe for a Chocolate Torte or the Chocolate Torte Frosting in this book. I'd love the recipe for both though.

I learned how to make my favorite cake thank to this book

Great book full of good tips and recipes

Good recipes

Great

Great

I will definitely use several recipes to make various things for Christmas and New Year. This year I am going to have all new things. I am going to make Applesauce Spice Cake, Apricot Brandy, Peach Schnapps Pound Cake, Banana Chocolate Chip Cake and Black Russian Cake. I think it will be amazing.

OMG is all I can say.... I think I gained 10 lbs reading through this cookbook.
