## Synopsis

Are you bored with the traditional methods people tell you to use to learn Portuguese? Are you bored with all those dusty grammar books that pile up making everything look so hard? What if we told you there's a better, more enjoyable way to learn Portuguese and grow your vocabulary exponentially? Well, guess what? There is! The best way to learn Portuguese is by listening to short stories. The problem? You might feel like you don't know where to start. That's exactly why we created this book. We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language once you frame that learning into a certain context. Short stories allow you to put what you've learned so far into practice, allowing you to expand your vocabulary quickly, understand new concepts, and overall get a better grasp of the Portuguese language. Short stories work because they eliminate the stress of forcing yourself to learn. Instead, when you listen to the captivating short stories we've prepared for you, you will learn Portuguese without even realizing you're learning it! Your goal is to simply focus on a single story at a time. The stories include multiple genres, including adventure, fantasy, mystery, romance, just to name a few. We wanted these stories to be fun, interesting, and appealing, motivating you to keep on listening to find out what happens next. That's the very best way to learn, don't you think?
