Maui: Hawaiian Paradise

Synopsis

Peter Lik returns to Maui after his 50 state tour of the US, drawn back by the beauty of the Hawaiian islands. He captures one of the most ecologically diverse locations on the planet with a fresh eye and stunning sense of perspective and color.

Customer Reviews

I visited the Lik Gallery in Lahaina, Hi and found he work to be fascinating. This book is a small taste of what Peter does. Well worth it. I just wish it was a little larger, coffee table size, maybe.

I saw this book at a Peter Lik gallery in Maui but it was the gallery's copy. I wanted to buy one but they told me that the book was sold out and I could buy one of the employee's personal copies which was used for \$150. So I was very happy when I found it on for such an amazing price. It came wrapped in plastic so I bought 2 copies; one to view and another to keep since it might be worth something later on since it won't be reprinted. At least that's what they told me at the gallery. The book is beautiful and captures Maui at its best. It makes a great gift for friends and family too.

It's a wonderful book with great photographs for maui made from one of the best photographer of the world - I love it!

Peter Lik's work is of course breathtaking, but some of that does not translate into this printing. The book is a bit on the small side -- I would have preferred something a bit larger to showcase his work.

Better than nothing until I can afford one of his prints!

I gave this to my husband as a gift. He's a Peter Lik fan and he's really enjoying it. It arrived on the date promised in perfect condition.

I have been to his galleries in Las Vegas many times, just to get lost in his amazing work. He is a very talented person. This book would be a great addition to any photographic collection. I continue to look at it when I need inspiration/motivation to get up at 2am to go on a sunrise shoot.

After reading the other reviews I decided to purchase this book. It is very disappointing. It is a rather small book and to be honest I have seen much better pictures on calendars. The book is over rated by the other 2 reviewers. I will say that delivered promptly as usual even before the estimated time. I have never been disappointed in 's service and delivery.

The book arrived right on time and it was great. The pictures were like nothing I have ever seen before. I recommend the book and Peter Lik to anyone.
