This man explains the holy scriptures in the best possible ways. Correctly. Completely. He was obviously deeply endowed by the holy spirit with understanding of God's word. If I had only one adviser concerning the meaning of the Bible, Lewis Sperry Chafer would be that man.

For me, there is no one like Dr. Chafer, or those who studied under him at Dallas Theological Seminary. His knowledge about Satan and Grace are unsurpassed. If you want to really understand Erwin Lutzer's books *Hitler's Cross*, *When a Nation Forgets God* and *Oprah, Miracles, and the New Earth*, read Dr. Chafer's book *Satan - His Motives and Methods*. It really sheds light on the satanic influence behind all 3 of those books. Chafer's book *Grace - An Exposition of God's Marvelous Gift* is a phenomenal explanation of all that God's grace entails. A must read. Since they are still under copyright, this does not include his *Systematic Theology* or the book *Major Bible Themes*. These are worth the effort to acquire and read. *Major Bible Themes* is really a summary of everything else that he wrote.

Even though it was written back in the early 1900's it is still VERY relevant to today! The only exception I have with his writings is that he obviously had accepted evolutionism and included some of its concepts in his conclusions. However, none of that has any real sway over the overall teachings that are presented in each of the books I have read so far (*Satan*, *Grace*, and *Ephesians*).

I'm completely satisfied with the content of this book, but I see no evidence of the "meticulously-built Active Table of Contents" mentioned in the book description. Since it's a multiple-work collection, it's difficult to navigate without one. UPDATE - The publisher of this ebook has fixed the problem with the TOC and I now have the updated version. It works great. This book is a great value and I can now highly recommend this kindle version.

Bible Doctrine that is done the right way

If you have not read Lewis Sperry Chafer you are in for a treat. After reading these books I became a Chafer devotee. I bought his eight volume *Systematic Theology* and was not disappointed. Chafer's theology is spot on. He founded the Dallas Theological Seminary in 1924 and was its president until his death in 1954. <http://www.dts.edu>

The books included in this volume are each a gem I would recommend to every Christian. Insights abound, all refreshingly cited and grounded in the Bible. Take your time reading each. I've based women's Bible Study around several of Chafer's books.

The 33 eternal positions in grace in the book on Salvation, and the book on Ephesians are blessings upon blessings. This collected works of Chafer takes you to the window sill of heaven. Sell your shoes and buy a copy.
