Hot Mess Kitchen: Recipes For Your Delicious Disastrous Life

Synopsis

"I came for the recipes and stayed for the funny, personal writing. How could you not love a book with recipes like "Fuck It, Let's Just Get Stoned Nachos" and "All My Friends Are Married Mud Pie"? Surely there is not one among you who has not felt both sentiments. You could buy this book and enjoy it without ever taking out your oven mitts." --Mindy Kaling, from the foreword

Decades ago, every young woman left home knowing how to cook, but now, well, not so much. And while they're happy times have changed, authors Gabi Moskowitz and Miranda Berman want to save millennials from the perils of takeout and take back the kitchen with their new book, **HOT MESS KITCHEN**. These ladies aren't serving caviar and champagne; they're making Quarter-Life Crisis Queso. They're not giving you a plan for the perfect dinner party, but suggesting How to Throw a Fabulous Dinner Party Without Having an Anxiety Attack. And they're going to be there each step of the way with easy, delicious recipes and personal stories that make it feel like they're right there in your kitchen with you, showing you which knife to use and wiping the mascara from your face as you cry from onion chopping. They're going to be your friends. Your kitchen friends, your **HOT MESS KITCHEN** friends. Your best friends? No, no, this isn't like a Her type of scenario. Have real friends. Read this book and all their stories, and let Gabi and Miranda show you how cooking has helped, or how it could have helped them, in their messiest moments!

"With recipes like I Want to Punch You in the Face Pasta and Bounced Check Burrito, **HOT MESS**

KITCHEN threatens to be the most relatable, down-to-earth cookbook on the planet. These hilarious women have crafted delicious, realistic recipes and deeply personal anecdotes to accompany them. Honestly, I'm just so damn mad this didn't exist when I was in my twenties." —Jenni Konner, co-creator of HBO's *Girls* "Gabi and Miranda's book feels like your favorite teacher from school came over to cook you a fun-filled meal and didn't mention homework. Their recipes are easy and enjoyable in a way that will have you bragging and begging people to come over to try." —Sophia Rossi, co-founder of HelloGiggles.com
