Bunjitsu Bunny's Best Move

Synopsis

Isabel is back! The best bunjitsu artist in her class, she can throw farther, kick higher, and hit harder than any-bunny else. But her strongest weapon is her mind! With even more fun, adventures, and wisdom than before, Bunjitsu Bunny's Best Move by author/artist John Himmelman continues to charm in this beguilingly funny chapter book series on one bunny's feats in martial arts. The lively story about a kind and wise rabbit, with two-color illustrations, will appeal to young martial arts fans.

Customer Reviews

“A series of Zen lessons touched with gentle humor.” —Kirkus Reviews on Tales of Bunjitsu Bunny
“Delightful . . . Reminiscent of Arnold Lobel's 'Frog and Toad' stories or Jon Muth's ever-popular Zen Shorts.” —School Library Journal on Tales of Bunjitsu Bunny
“Katie is the very picture of openheartedness, confusion and contrition.” —Publishers Weekly, starred review on Katie Loves the Kittens
“Himmelman's expressively comedic illustrations keep it as funny as ever.” —Publishers Weekly, starred review on Pigs to the Rescue --This text refers to the Hardcover edition.

John Himmelman is the author and illustrator of more than seventy-five books for children, including Tales of Bunjitsu Bunny. He is also the author of Chickens to the Rescue, Duck to the Rescue, Katie Loves the Kittens, and Katie and the Puppy Next Door. As a martial arts student and instructor, he has a lot of experience with the human version of bunjitsu. He lives in Connecticut with his artist wife, Betsy.

Zen lessons for martial arts and life. These are just like those little polished wisdom stories from the far east. Except they're for children -- sweet, cute, and interesting to a child's mind. The lessons teach patience, resilience, action instead of just daydreaming, accommodating a friend, that you can sometimes forestall conflict with affection, that you should never let your enemy choose how you fight, and that sometimes you learn more after you've failed. But the stories are just fun, interesting little stories. My six year old and eight year old love them passionately, and the four year old likes them. After you read one of these stories, it doesn't feel like you've eaten your vegetables -- it feels like you've just had dessert, and dessert was unexpectedly good for you. We can't wait for another helping.

Must have for 1st grader. My son loves these books! There are at least 3 of these (maybe more) and he has read all of them so far and really enjoys them.

Love this book, and my daughter loves it even more. The girl bunny is a hard working, smart and all in all excellent role model. Awesome, relevant life lessons. Incredible book

Nice chapter book for beginning readers. Fun story. 2nd grade grandson loved this book

Such a great early chapter book. Each chapter is it's own story, so it is easy for emerging readers to feel like they are doing well as they read.

Surprisingly engaging for my reluctant reader (aged 8, female).

Great

My son is a reluctant reader and he loves Bunjitsu Bunny's Best Move, the chapters are easily comprehensible for my soon to be 2nd grader. As a parent I love the moral or life lesson Binjitsu

Bunny bestows upon us, in each chapter.
