I have been vegetarian for years now but am always looking to try new things. I like that this book is filled with easy to make recipes. This recipe book has helped us to make a few things at home as we try to eat healthier and conform to vegan eating, or as a guide when we have guests over who prefer vegan. Sometimes, it is just difficult to come up with ideas for a delicious, well balanced meal. I found lots of them here. Great Recipes!

You will never go wrong with this good read! Going vegan is such a very challenging endeavor especially for beginners and for those who are planning to have it as a lifestyle, yet it is very rewarding when you successfully engaged yourself into it for good. The author was right when she wrote that in spite of the wonderful benefits this kind of a healthy lifestyle offers, there are still many who didn't pushed through and stumbled upon with ignorance on how to prepare a healthy vegan meal. But this book literally provided the answer to all the doubts and questions every person has. I am amazed at how the author presented all the 55 gold mine recipes for breakfast, lunch, dinner, and desserts and your discriminating taste will surely be satisfied. This is highly recommended for starters who seriously want their diet and eating lifestyle to be changed once and for all. It takes a real commitment to start with this vegan lifestyle but it even more takes diligence and consistency to continue with it. Kudos to the author!

This book is enriched with 55 delicious vegan recipes for breakfast, lunch, dinner and desserts or snacks. It also describes about veganism and guides me what I should or not. There are more tips for beginners along with a sample diet plan to help me to start living vegan as easily and effortlessly as possible. On the whole, this book equips me to enjoy great health via healthy eating.

It is a great book on vegan from which i have learned what does the word vegan actually mean. I didn't know that there is a difference between a vegan and a vegetarian. But this book has made me clear about this. And then, this book has pointed out the positive sides of being a vegan. If you are

vegan, this book will provide for you some healthy and delicious recipes. And if you are not a vegan, you will get inspired to be a vegan n like me. This book has provided about 55 healthy recipes which are easy to prepare and it is including your breakfast, lunch and dinner. I highly appreciate for this book.

If you enjoy ethnic cuisine or comfort foods like mom used to make, these recipes are perfect for everyday meals and for dinner parties. This book makes cooking an adventure that'll make your taste buds sing for joy. There's a little bit of everything, from every day breakfast staples to creative culinary fusions and raw dishes.

My girlfriend is a vegan and she asked me for some delicious recipe that's why I purchased this cookbook for her. This book consists of simple and easy to prepare recipes. The steps are very easily understandable. Even a newbie in the kitchen can follow without any problem. She tried a few recipes and I also appreciate it a lot. According to the title of this book, all the recipes were really mouth watering. If you are new to vegan diet this book will help you a lot. Thanks to the author.

Veganism has always got my attention. It is by me the most healthiest form of diet. I am really looking forward to have this diet approach into action hence I got this one. I have read and understood in this book that being on a Vegan diet is really not an easy and a walk in the park thing to start with, and knowing is only half of the battle. In contrary, knowing it is already a big step towards applying it and I found it all here in this book. I must say that I will have to stick to the 4 Week diet plan and see the results after. I will surely keep this one as my main reference. I know that I will see some positive results eventually. It is a recommendable book!

Excellent Book! Cooking vegan food is very hard but this book tells you everything you need to know about vegan cooking. The recipes are very easy to follow and simply delicious. This book is the "The Ultimate Vegan Cooking Guide!"
