Sacred Magic Of Ancient Egypt: The Spiritual Practice Restored

Synopsis

In *The Sacred Magic of Ancient Egypt*, Rosemary Clark presents a comprehensive guide to a modern practice of ancient Egyptian theurgy. Included are daily rituals, annual ceremonies, and the founding of a temple tradition for either the sole practitioner or a gathering of celebrants. The dimensions of Sacred Science-esoteric architecture, cosmic resonance, and magical practice-are outlined in detail and demonstrated in a program for practical, everyday use. Authentic and richly detailed, this guidebook also:

- Presents beautiful rituals patterned on ancient Egyptian texts for modern initiates
- Serves as an excellent reference on many aspects of the Egyptian mysteries that have not been accessible elsewhere
- Contains a complete repertoire of ancient hymns, litanies, spells, and ceremonies that allows for reading in the ancient tongue

Enter the timeless realm of Egyptian sacred ritual. ã ã Experience for yourself the ultimate realization of ancient Egyptian spirituality-the assumption of divine knowledge and grace.

Customer Reviews

"The...[illustrations], the translated invocations, and, above all, the how-to approach to making connections with transcended beings make this book a metaphysical marvel." -- Dell Horoscope magazine "Dell Horoscope magazine"

Rosemary Clark is a writer and lecturer on the esoteric tradition of ancient Egypt and its religious, philosophical, and metaphysical legacy in modern times. Her continuing study in this field derives

from a thirty-year background in historical research, travel throughout the Middle East, and the development of a repertoire of unique skills in recreating Egyptian ceremony and rituals. She has been a featured speaker on several tours of Egypt, and has acted as coordinator for on-site devotional temple activities. Ms. Clark served as exhibit leader for the Tutankhamun tour when it came to Chicago in 1977, and illustrated *The Traveler's Key to Ancient Egypt* (New York: Knopf, 1985). She has appeared on NBC television in a feature broadcast on her work as founder of Temple Harakhte, a group of men and women devoted to the experiential religious practices of Egypt's Old Kingdom. Above and beyond offering a thorough knowledge of Egyptian history and mythology, Clark is well versed in the hieroglyphic script, its transliteration and the translation of ancient texts, and in the nuances of Hermetic philosophy and Sacred Science.

For anyone interested in ancient Egyptian religious practice and theology this book is an excellent choice. Readable, yet covers the subject thoroughly. Completely and competently illustrated. As good an insight as you could hope for into the minds of the ancient Egyptians and their world and religion. Highly recommended for the serious scholar or anyone interested in the subject.

The book brings some really interesting ideas forward with physically creating a temple dedicated to the Goddess back. Very informative.

GREAT! Must Read book for anyone interested Ancient Egypt or Magic. I learned so much with every single page.

Ms. Clark does an exceptional job of explaining the Sacred Astronomy. Her descriptions of the various rites are somewhat vague, but this is to allow room for individual interpretation and adaptation.

This book is well described in the description above. Without repeating that, it is a book of reconstructed temple life, methods, and ceremony from ancient Egypt. The author has done an excellent job at assembling all this material into a readable and informative text. Very interesting!

This book contains so much great information. It does a great job of holding my interest when reading for long periods of time. I love the quality of the contents and of the physical book itself. It was a great purchase.

The book is great. I really love its content, but I can't say the same about its printing. The paper is so thin you can see the letters on the back of each page and it looks like home printed - in inkjet like form...I suggest that you buy the ebook version if available!

Showed up quick, perfect condition as advertised. One of the MUST READS for anyone studying the ancient Qabalah and High Magic.
