Customer Reviews

Eric Luper is a longtime Star Wars fan and the author of many Mad Libs for adults and children.

Got these as stocking stuffers!The kids are addicted! We have a copy in the car and have been doing 2-3 nightly.Best fun educational gift. Reinforces and introduces basic parts of speech! Love!

I ordered this as a gift for my daughter's friend. I remember loving Mad Libs as a kid and figured I would give it a try. I have to say he and my daughter had a blast doing them. They loved that they could essentially create their own silly stories containing their favorite characters. I would highly recommend this for anyone looking to get a little something for a young Star Wars lover. Fun and timeless!

We have so much fun with this during breakfast or dinner! Love it.
