Avancemos! Level 1

Very good first year Spanish book, recommended by my son's teacher. He enjoyed the course.

The condition wasn't as good as what I had expected but were exactly what I needed and what I had ordered.

Great condition and price not bad!

no problems, received the book - in the condition as listed- was what I wanted

Needed for school - was in good shape

Arrived on time. New as described .

the book is in excellent condition, no markings in it at all. Arrived in 2 days after ordering which came in handy for studying since we only have a classroom set and no home book. Relying only on

a computer book which does not work for my son. The teacher could not believe the price when I told her how much I paid. i'll definitely order again

It was easy to locate and the purchase was simple. I got it sooner than projected as well.
