The Perplexing Theft Of The Jewel In The Crown (Baby Ganesh Agency Investigation)

Synopsis

For centuries, the Koh-i-Noor diamond has set man against man and king against king. Now part of the British Crown Jewels, the priceless gem is a prize that many have killed to possess. So when the Crown Jewels go on display in Mumbai, security is everyone's principal concern. And yet, on the very day Inspector Chopra visits the exhibition, the diamond is stolen from under his nose. The heist was daring and seemingly impossible. The hunt is on for the culprits. But it soon becomes clear that only one man -- and his elephant -- can possibly crack this case... Featuring the most charming crime-solving duo ever to grace the pages of a book, the Baby Ganesh Detective Agency series is a must-read for fans of Alexander McCall Smith. For more from Vaseem Khan, check out: Baby Ganesh Agency Investigation The Unexpected Inheritance of Inspector Chopra

Customer Reviews

"Smoothly combines an affable lead, a seemingly impossible crime, and an endearing and highly unusual sidekick-a baby elephant named Ganesha.... Fans of Alexander McCall Smith will find a lot to like." • Publishers Weekly on The Perplexing Theft of the Jewel in the Crown "Every bit as captivating as its predecessor. Fans of Tarquin Hall's Vish Puri will rejoice, but so should all mystery lovers." • Booklist on The Perplexing Theft of the Jewel in the Crown

Vaseem Khan first saw an elephant lumbering down the middle of the road in 1997 when he arrived in India to work as a consultant. It was the most unusual thing he'd ever encountered and served as the inspiration behind his series of crime novels. He returned to the UK in 2006 and now works at University College London for the Department of Security and Crime Science where he is astonished daily by the way modern science is being employed to tackle crime.
