In The Spirit Of Palm Beach (Icons)

Synopsis

Established as a luxury vacation destination for the rich and famous in the early 1900s, Palm Beach is synonymous with old-world glamour and new world sophistication. In this exquisite volume, longtime visitor Pamela Fiori shares with readers the heritage of this tropical paradise. From its world-renowned resorts, dreamy estates, and flashy cars to its endless shopping opportunities and impeccable golf courses, *In the Spirit of Palm Beach* presents a full spectrum of everything the island can offer. An insider's guide featuring Fiori's selection of hotels, restaurants, bars, and shops completes the book.

Excerpt from Introduction: If there is one resort community in America that signifies enormous wealth, unparalleled exclusivity, and unmitigated extravagance, it is Palm Beach. Two little words: 'palm' and 'beach'. When combined they conjure up a benign image of nothing more than tropical trees, a deserted expanse of sand, and the soft sound of lapping surf. How sublimely simple. In truth, that's pretty much what Palm Beach was before the arrival of its modern-day settlers and until a certain Henry Morrison Flagler, a founder of Standard Oil, cast his canny eyes on the island's oceanfront acres in the early 1890s and bought them for \$300,000. There's something to be said for visionaries who know what people want before they know it themselves. For Flagler, it was a retreat where the rich could go to escape the bone-chilling winter elsewhere...

Customer Reviews

Pamela Fiori's career in magazine publishing spans more than forty years. She was editor in chief of Town & Country, America's premier magazine for the affluent in America, for seventeen years. Before that, she was editor in chief of Travel & Leisure for fourteen years. An authority on luxury, travel, style, connoisseurship and philanthropy, Fiori writes and speaks frequently on these subjects. Her first book, Stolen Moments is a tribute to the photography of Ronny Jaques, a contemporary of Richard Avedon and Lillian Bassman. She has also written In the Spirit of Capri and In the Spirit of St. Barths for Assouline.

I purchased this book as I love the look and style of Palm Beach homes and life. It did not disappoint. Although some of the photographs are a little grainy, there are plenty of them and the photos of more glamorous days in past decades are fun. The easy going sporty casual fashion style contrasted with the magnificent homes make this a great gift and the perfect frothy book for holiday reading.

fun

gave it friend who was moving to Palm Beach

This series of books, "In The Spirit Of...", is fun but formulaic. I've purchased several and enjoyed them, but they are certainly not in-depth information. There are better choices for that.

Love!

fabulous

I BOUGHT A LOT OF BOOKS ABOUT PALM BEACH BECAUSE IT IS MY FAVORITE PLACE IN THE PLANET THIS BOOK IS NOT PROFESSIONAL LIKE "PALM BEACH HOUSES" BUT IT COMES WITH GOOD ADVERTISEMENT WHEN I SAW IT ON THE "TORY BURCH" WEBSITE SO I BOUGHT IT BECAUSE OF "PALM BEACH"

I purchased another for a gift thus that confirms I enjoyed the book!
