Customer Reviews

North Carolina is best known for its tobacco, lumber, and textiles. In a fully illustrated volume, native son Kuralt reminisces about his home in prose and verse, describing the heritage, history, culture, folklore, and customs of North Carolina. Favorite sons and daughters and towns with charming names are recalled as only someone like Kuralt can do. The book grew out of an idea by Governor Jim Hunt to help commemorate the 400th anniversary of the founding of the colony at Roanoke Island. Kuralt wrote the words and McGlohon the music to "North Carolina Is My Home," a special song of celebration. There are over 80 photographs and illustrations. For public and academic libraries with popular reading collections. Boyd Childress, Auburn Univ. Lib., Ala. Copyright 1986 Reed Business Information, Inc. --This text refers to the Hardcover edition.

In celebration of North Carolina's 400th birthday, Charles Kuralt collaborated with another of the state's famous sons, Loonis McGlohon, to produce this down-home, witty celebration of their native land. From Possomtot to Frying Pan Shoals, Ava Gardner to Thomas Wolfe, this cultural tour of Tar heel country is Kuralt at his best - an uncanny eye for detail and an exquisite command of the language. In memory of Charles Kuralt, this new paperback edition of North Carolina is My Home

features testimonials and remembrances from some of his closest friends, including Norman Corwin, Jan Karon, and Bill Friday. Charles Kuralt was born in Wilmington and brought up in Jacksonville, Steadman, Salisbury, Washington, and Charlotte, NC. Loonis McGlohon is an Ayden-born composer who lives with his family in Charlotte, NC.

I like it because it is about my home state. Was disappointed that most of the pictures seem to be from the western part of the state. Can't change that now, as the author is long dead.

My husband and I were vacationing in Spruce Pine, NC and talked to the owner of the Spruce Pine Gem mine. His grandfather is featured in this book making his brooms. A lot of history and culture is in this book. It was great to see that some of these dying arts were captured.

I purchased it for my grandson who was born in NC but now lives in CoHe was very happy with it

Came as promised. Made for a perfect gift for a newcomer to North Carolina

Wonderful book. My grandfather is in this book so it has sentimental meaning for me as well. This book is out of print, so if you can find a copy snatch it up!

It was wonderful, thank you

Through prose, pictures and poems, this book gives one the "feel" of truly being a North Carolinian. Even if you have never visited the state, you can laugh, cry and dream as Charles Kuralt paints picture words of his home. A lovely relaxing read.
