"Super-stylish travel guides - perfect for short break addicts" Harvey Nichols magazine "Who should pack Footprint - readers who want to escape the crowd." The Observer" --This text refers to an out of print or unavailable edition of this title.

Footprint Focus travel guides are specially designed for the needs of today's travelers.

Barbados provides you with all the information you need and none of the stuff that you

don't. Insightful, in-depth and up-to-date information

Extensive listings and expert advice on where to stay, where to eat and what to do

I was expecting a full size guide book but this is a small 4x8 87 page "booklet." Good information but a bit pricey for the size. However, there aren't too many books on Barbados so it's been helpful with good information included.

but it is just about the only thing out there but i give the island 5 stars.

I sent this book back right away. It was pretty boring. Only skimmed a few pages. Not a great book if you are trying to decide on vacationing here. More of a cut and dry info only book.
