I had no problem with this book, it was well written and inspiring. Then, I read the authors comments

at the end. Ms. Goodnight is, in essence, passing judgement on all the Christian parents whose children chose the wrong path. She calls them bunglers and says how glad she is that she raised good kids. I once had a Pastor who told me that by the Grace of God, his kids are okay. He takes no credit. My heart goes out to the many Christian parents whose kids have taken wrong paths. If I were this author I would not be quite so smug.
