Ancient Seder Olam

Synopsis

This 2000-year-old scroll reveals the chronology from Creation through Cyrus' decree that freed the Jews in 536 BC. The Ancient Seder Olam uses Biblical prophecy to prove its calculations of the timeline. We have used this technique to continue the timeline all the way to the reestablishment of the nation of Israel in AD 1948. Using the Bible and rabbinical tradition, it shows that the ancient Jews awaited King Messiah to fulfill the prophecy spoken of in Daniel Chapter 9. The Seder answers many questions about the chronology of the books of Kings and Chronicles. It talks about the coming of Elijah, King Messiah's reign, and the battle of Gog and Magog. This scroll and the Jasher scroll are the two main sources used in the book Ancient Post-Flood History, also by Ken Johnson. Brought to you by Biblefacts Ministries, Biblefacts.org.

Customer Reviews

Very Informative, it fills in the background details of several books in the Old Testament. I would recommend this to anyone that wants to truly learn about Biblical times.

This book presents Old Testament events in a timeline-like form ranging from the first day of Creation to the end of the Second Temple. Dates are clustered by topic and there are 31 topics. (Actually chapter 31 is history after the Seder Olam, or dates covering the reign of Cyrus, circa 540 BC, up to the 1967 Six Day War.) Each date is accompanied with commentary explaining the who-what-why-when-where-how. The book is written from a Christian perspective but contains very little, if any, Christian dogma. I'm not sure how I wound up with both Kindle and paperback versions but I'm glad I did. I prefer to use real books when studying but it's also great to be able to carry an impossible number of reference books in ebook form.

Seder Olam, which means "order of eternity", was not quite what I expected. This is basically the Book of Jasher with material added by various Jewish priests. (The added material is generally corrected by Doctor Johnson as incorrect or inaccurate.) Read Ken Johnson's book "Ancient Post-Flood History" first, then read this. The chronological tables in the Appendices alone would make this book a good purchase. When looking for the history of man immediately following the Flood, there are few books to read. This one is one of only four that I found.

If you need to really follow along with the scriptures, this book is an excellent time line to help you do that. It brings things into perspective.

learning is always great good book

This book helped me to know that the trust I placed in my Holy Bible wasn't misplaced. I was able to corroborate all the points that I had heard questioned and others as well. Wonderful author.

I like all of Ken Johnson books. Helps to fill in several blanks when studying the Bible. I will buy more.

worth the read enjoy AADeL
