## Synopsis

Soon to be a major motion picture starring Kate Winslet and Idris Elba. An atmospheric, suspenseful and gripping story of two people finding love while fighting to survive.Â When a blizzard strands them in Salt Lake City, two strangers agree to charter a plane together, hoping to return home; Ben Payne is a gifted surgeon returning from a conference, and Ashley Knox, a magazine writer, is en route to her wedding. But when unthinkable tragedy strikes, the pair find themselves stranded in Utahâ™s most remote wilderness in the dead of winter, badly injured and miles from civilization. Without food or shelter, and only Benâ™s mountain climbing gear to protect themselves, Ashley and Benâ™s chances for survival look bleak, but their reliance on each other sparks an immediate connection, which soon evolves into something more.Â Days in the mountains become weeks, as their hope for rescue dwindles. How will they make it out of the wilderness and if they do, how will this experience change them forever? Heart-wrenching and unputdownable, *The Mountain Between Us* will reaffirm your belief in the power of love to sustain us.

## Customer Reviews

I don't remember how long it's been since I enjoyed a book as this one. I am new to Mr. Charles Martin's writing and I am sure I will be reading more of his books. I am looking forward to the motion picture coming out in October/2017. I hope they don't change a thing about the story. I know I will probably go back and read it again. Thank you Mr. Martin for such a wonderful story with such good characters.

This is the first time I've read anything by Charles Martin and it certainly won't be the last. I enjoyed every minute of this novel and can truly say I had a hard time putting it down. After their plane crashes in the Utah mountains I felt pretty sure that it was over for these two survivors. How they fight to stay alive and make it back to civilization is one great story, each day faces new challenges. The author also gives us a great twist at the end I never suspected. All in all, a great read and I'd highly recommend it.

This is one of the best books I've read in a long time. I felt like I took this journey with Ben and Ashley and I kept thinking about it days after I had finished it. Even today after I have already read 3 other books I can still remember so many of the details and I know it will be something I will read again in the year to come. I will also be reading other books by this author.

Oh my! What a beautiful story. Could not put it down. Mr. Martin is definitely my favorite author. Can hardly wait for the new book. Keep up the wonderful work!

Maybe could've stopped while he had a better chance. Hope the screen writer trims it differently. LOVED the beginning and the middle and I WILL be curious to see the film

This is my second book to read by this author and I am ready to read even more. It is hard to stop reading and sleep because he draws you into the story. He stays with his story and keeps you up waiting to see what is next. He shows how much and deeply someone can love which is lost in most romance stories. But in reading at the end I know where he finds his heart from to write .

I like their banter..I kept rooting for them to finally make it out! Overall, a great read. I only wished for some sort of epilogue..but the end was sweet & with a twist. Pick this up and read it...now a movie! So excited..

I read it slowly because I knew almost from the beginning I would be sad when it ended. The writing is that good. You take a tremendous ride with these characters and you want desperately to know them. Thank you for a great great well written story I won't forget.
