Growing Up With God: Everyday Adventures Of Hearing God's Voice

Synopsis

Growing Up with God is the story of Maria and Lucas, two best friends who are on the journey of discovering themselves in the very normal, but also epic journey of hearing from God's heart. Maria has a life-changing moment at Summer Camp when she hears from God for the first time. He tells her something beyond belief, that she is going to be an actor! And not in 20 years as an adult, she can pursue her acting career now! The problem is, with every step, something seems to stand in her way. Lucas is a boy with a one-track mind: Soccer is life. The only thing more important than that is his relationship with God. Lucas is learning to listen to God's heart, even if that means befriending the weird new kid in school. Maria and Lucas find themselves on a true adventure that causes them to grow in their connection to God, each other, and make new friends along the way. It's a journey of doubt and frustration followed by joy in the very real pursuit of learning what it is to walk in relationship with Jesus. From Shawn Bolz, author of *Translating God*, comes an emotionally intelligent and spiritually relevant story that equips youth of all ages to tap into God's heart and hear His voice in their lives. Shawn has taken his gift of teaching on the prophetic and presents it in a way that children of all ages can experience how God is not limited by our age. When He speaks, everyone gets to hear Him and see powerful and wonderful things happen through their faith. This book was created to work alongside the *Growing Up with God Workbook*, which can be used by individuals or Sunday school groups.

This is such a relatable, practical book for kids and does a great job of showing them that not only can they hear God's voice, but what that looks like in the every day lives of kids and in situations that they face! The book teaches kids that they can hear, obey, and be a friend of God's now, while they are kids! Such a powerful message for all of us, but it's presentation is perfect for kids! It's an illustrated chapter book that is probably ideal for 3rd grade readers (font size, etc.). However, the message is very relevant for the target audience of 7-12 year olds, and I believe all those ages will love it and learn from it! This would also be a great & fun book for family devotions, with, perhaps, a bit of discussion about what is taught through the story chapter-by-chapter. I hope this will be a series, and I will definitely check out the accompanying workbook!

Excellent story for boys and/or girls that is fun, easy to understand and relate to, and is interesting. Best of all, this story teaches about relationship with God. Thank you Shawn Bolz for sharing this with us. I can't wait to read it to the grandkids.

This book even taught ME some lessons!! We read it at night to our 3,4 and 6 yr olds. I would say the 6 yr old was the only one old enough to understand some of the wisdom in this book. However, I

know it's a resource we can revisit time and time again as the kids get older.

Looking forward to reading this to my granddaughters and watching them grow up as mighty warriors for the King!

Loved it and purchased one for ea family in my church!

My five-year-old son loves this book!

I absolutely love this !!! I also love he art .

I have been trying to find the words to explain prophecy and prayer to my 7th grade daughter and this is perfect! She likes stories and again this is perfect! It is so relevant to her age group. Thank you Shawn!!
