The Many Faces Of School Library Leadership, 2nd Edition

Synopsis

Completely revised with even more contributions added by practicing school librarians, this book further examines the responsibility to lead in many areas and identifies the real-world, day-to-day application of established theory and best practices. • Emphasizes the essential role of school librarians as leaders in technology, literacy, and curriculum in their schools • Presents practical, proven ways from working school librarians to get teachers to collaborate with each other and with the librarian • Prepares school librarians to meet intellectual freedom challenges • Outlines the key duties of school librarians in effective advocacy for their programs
