Not For Tourists (NFT) released their first book, a guide to Manhattan, in May of 2000. Today, NFT produces eleven books each year, working closely with city and neighborhood editors in Atlanta, Boston, Brooklyn, Chicago, London, Los Angeles, New York, Philadelphia, San Francisco, Seattle, and Washington DC. Their offices are in New York City.

This clearly is not for tourists. It is for newcomers to Brooklyn who will use it to find restaurants and services by neighborhood. It is good at that. I know Manhattan well and I want to learn more about Brooklyn. I'm still looking for a vehicle to enlighten me.

The print is very tiny, I can barely read it.

love these NFT books, great resource

The tiny print is sort of an issue. Otherwise, thumbs up.

Love this book. It will be my guide for the next four years (living in Brooklyn).

Ok, first off I don't actually have THIS EXACT BOOK/YEAR for Brooklyn but if it is ANYTHING like the previous years/installments I HIGHLY recommend it. I bought my first NFT (the New York City one for 2008) WHILE living in New York (Bushwick Brooklyn to be exact) and I liked it SO much I bought one for every borough they had one for at the time (New York City, which is basically Manhattan, Queens and Brooklyn) as well as Boston.....and I LOVE LOVE LOVE THEM! While living in 'the city' my gf and I used these things INCESSANTLY! They were dog-eared, written in and just plain worn out!!! Great little guidebooks whether your just visiting OR, like me, live in the living, breathing, HEAVING metropolis of a social experiment that IS 'THE FIVE BOROUGHS'!!! Give it a try, you won't be disappointed. It has maps, neighborhood bios, train/bus stops/schedules, restaurant reviews and all KINDS of cool stuff. It does (as was my case) come in extra handy if you already have a working knowledge of how the trains work and maybe even have a few months

under your belt as a New Yorker but if your just going for the weekend, a week or even a one day getaway, this handy little guidebook REALLY lives up to its name still.
