The Year Of Yes Journal

Synopsis

A beautiful, illustrated, aspirational companion journal to Shonda Rhimes's New York Times bestselling memoir *Year of Yes*. In her mega-hit book *Year of Yes*, Shonda Rhimes transformed her life by saying one small word: YES. Now, in the perfect complement to that instant New York Times bestseller, *The Year of Yes Journal* allows you to chronicle your own Year of Yes. The journal is broken out month by month, day by day, with each month highlighting a theme ("Yes to Doing," "Yes to Help," "Yes to Who I Am"). Daily, you can track what you say YES to and keep notes about how that decision has made a unique impact; monthly, you will find journaling prompts for reflection around that specific theme. With a check-in section at the six-month mark, as well as at year end, and encouragement from Shonda along the way, you will have ample opportunity to track how YES has transformed your daily life. This inspirational and aspirational journal is bound with a beautiful, gold foil-stamped blue case. With memorable aphorisms from *Year of Yes* placed throughout and gorgeously illustrated, this stunning journal is a must-have keepsake that brings a bit more YES to your life.

Excellent journal that also feels great in your hands. Not just another journal. This is a fresh, creative way to optimize your time and energy while finding joy, peace, beauty and balance in your everyday life.

Excellent book. Just the inspiration I needed as I embark on a year of changes, personally, professionally and spiritually.

The pages are pre-set for your responses each day. Not what I was expecting. Good quality.

Very sturdy cover. It can be wiped clean and I think it will survive a lot of wear. Great companion piece to "Year of Yes".
