Shipping Weight: 11.8 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 3 customer reviews

Best Sellers Rank: #685,861 in Books (See Top 100 in Books) #51 inÂ Books > Travel > Europe > Netherlands > Amsterdam #120 inÂ Books > Travel > Europe > Netherlands > General #1010 inÂ Books > Travel > Europe > General

## Customer Reviews

"The granddaddy of budget guides" --The New York Times "Guides that penetrate the veneer of holiday brochures and mine the grit of real life"--The Economist

Excellent information for the 20-something traveller who wants to do more than just see the "touristy" things while visiting Amsterdam. Extensive info on great restaurants off the beaten path as well as great info on coffeeshops and alternative lifestyles. I spent a lot of time reading this book

before I got there which was good because trying to navigate the streets with this book was very difficult. The maps are broken up into neighborhoods and there is no simple way to see where you are going when you reach the edge of a neighborhood. I would recommend this book, but don't rely on the maps to help you get where you are going.

I found this book helpful while living in the Netherlands. It has more than just the typical touristy things - tells about some unique museums and shops. Great restaurant reviews. The book also has some good advice about other cities in the NL to visit. Also has a very detailed history and culture of Amsterdam and the NL, which is helpful.

While the book told me about the most important attractions in town, I was disappointed by the maps and ended up wishing I had purchased another book. Restaurant and Hotel listings were less than adequate and the layout could have been better. I was also left feeling that the authors were pushing an agenda with their highly frequent tips and references geared to the gay traveler. Let's Go's Germany book was equally as disappointing and I ended up throwing the book away and buying another guide while I was there.
