No color photos to follow here; but over 200 recipes are relatively easy to follow and don't require completed dishes to prove simple to duplicate. This is basic European cooking for the most part; from meat pies and beef stews to puddings and casseroles. -- Midwest Book Review

This was a gift to a lady with Finnish roots (no pun intended). Especially nice recipes for bread, rolls, cookies, and cakes. Highly recommended for anyone interested in Finnish cooking. Detailed recipes. This is not a picture book, but is instead a real "cookbook".

Simple recipes and easy to follow directions.
