Great for my granddaughter.

Perfect for homeschooling.

Must read for every teen who wants to learn to manage their money God's way! Well worth the time, plus it's an opportunity to bond with your child. I'm learning as much as she is.

This is a very good program, my daughters enjoyed it and how it put their spending into perspective. It reinforces basic, common sense for managing your money but in a way teens can understand.

Fun and Easy to understand but teaches very critical skills in money at the same time.

Love it! Great for helping young ones learn about finances. Very glad I purchased it.

Very good and in simple language for younger children as well as teen agers up to young adults than you

Here's hoping my teenager stays out of debt!
