Last One In Is A Rotten Egg (I Can Read Level 2)

Synopsis

While his friends jump and dive and race in the pool, Freddy is left alone on the side. If he doesn't learn to swim, he will always be the rotten egg. Available for the first time in full color, this engaging I Can Read Book is perfect for beginning readers and swimmers of every level.

Age Range: 4 - 8 years

Grade Level: 1 - 3

Customer Reviews

First published in 1969, this lively I Can Read Book sports story has been newly illustrated with a multicultural cast in a New York City neighborhood. Freddy goes with his friends to the local pool, but he can't swim in the deep water, and he's left alone at the shallow end while everyone else has fun. When some big kids throw him into the pool, he feels terrible, but his friends and his mother encourage him to ask the lifeguard for lessons. Freddy learns how to float, to breathe and blow bubbles in the water, and how to move his arms and legs, until he can jump into the deep water with his friends. And the lifeguard gets rid of those bullies. Hazel Rochman --This text refers to an out of print or unavailable edition of this title.

Leonard Kessler has illustrated over two hundred books for children, many of which he also wrote,

I got this for my 3 year old when she started her swim lessons at the YMCA. She can't get enough of this book. We read it at least 2 times a day and there is an endless clamor for 'the pool book'. It doesn't have more than one page with actual swim tips, but it teaches kids that hard work pays off and how much fun the pool can be.

Kids love it!

This book is about a boy who has various 'problems' due to the fact that he is unable to swim. The boy then is able to get an instructor and practice and does indeed learn to swim. My 4 yr old grandson is learning to swim and I'm sure he is able to identify with the boy in the story. This book encourages practice to accomplish goals. Good book!

My grandchildren enjoyed the book and have read it several times on their own which is the best recommendation...bright colors and dynamic illustrations...

Child likes

My 6 year old (first grader) daughter reads at second grade level and she loves this story. Sometimes I read it to her, other times she reads it alone and it really is a cute story about friendship and about bullies and standing up to them.

Classic

My son is ten, and reading at a 1st or 2nd grade level. The words were perfect for a first-grade reading level. Every sentence was readable. And the plot was the most interesting he's read recently. He talked about the plot, he shared the illustrations with me, he laughed out loud.
