Customer Reviews

Arrived fast, nice cover. The art was not very intricate, and was sort of basic. I thought this book would have the entire book of Proverbs, but of course it only had some! I ordered it to use for a

teaching lesson, but the Proverb verse I needed was not in the book. I ended up giving it as a gift to someone along with a set of colored pencils.

Half the pages are blank journaling pages. Disappointed with that but the pages present had ones I'm excited to color

I love this beautiful book. I find it very relaxing to color and even more relaxing to color God's words.

I like the journaling pages in back and the black background.

Beautiful

Beautiful images and of course Proverbs. Thank you Seller. Very fast delivery also.

Not nice paper and lots of black on the pages. I returned it.

Bought for daughter for Christmas. Very lovely gift.
