I love this book I am a big fan of minecraft. I have minecraft on my kindle and my PlayStation 3 it is the best game. So I decided to get a few minecraft books. This book is the best. I suggest everyone that reading my review, buy this book. It is the best minecraft book I've read.

great series for the kids, my son has read them all and will re-read he likes so much!!

After reading the first one I was very interested in this series and as soon as I found out there was another one I got it as quick as I could. I liked this book a lot. Especially with his donkey Buck. - Jenna R. 10yrs

I love minecraft so I searched minecraft in the book store. Then this popped up and I like Diary of a wimpy kid so i thought why not. Then I started to read it and it was hilarious! So I got into the series and it is great. The reason I didn't give it a 5 star is because I felt like it was a bit to short for me. I still love the series though and I think you need to get this.

A perfect way to entertain kids but the people who say your books are bad well they are crazy !
