Seven Women: And The Secret Of Their Greatness

Synopsis

In this highly anticipated follow-up to the enormously successful *Seven Men*, New York Times bestselling author Eric Metaxas gives us seven captivating portraits of some of history's greatest women, each of whom changed the course of history by following God's call upon their lives—now in paperback. Each of the world-changing figures who stride across these pages—Joan of Arc, Susanna Wesley, Hannah More, Sister Maria of Paris, Corrie ten Boom, Rosa Parks, and Mother Teresa—is an exemplary model of true womanhood. Teenaged Joan of Arc followed God's call and liberated her country, dying a heroic martyr's death. Susanna Wesley had nineteen children and gave the world its most significant evangelist and its greatest hymn writer, her sons John and Charles. Corrie ten Boom, arrested for hiding Dutch Jews from the Nazis, survived the horrors of a concentration camp to astonish the world by forgiving her tormentors. And Rosa Parks's deep sense of justice and unshakable dignity and faith helped launch the twentieth-century's greatest social movement. Writing in his trademark conversational and engaging style, Eric Metaxas reveals how the extraordinary women profiled here achieved their greatness, inspiring readers to lives guided by a call beyond themselves.

My rating has nothing to do with the quality of the author and book itself- it's a wonderful book I am giving as a birthday gift to my mother in law. It arrived today, and I'm giving it to her tomorrow for her birthday. The book that arrived is a graduate's edition... I have no idea why sent it to me. I would return it, but I'm hoping she will just laugh it off with me tomorrow when I give it to her. - you might want to check to see what edition of a book your mailing out. Thanks!

Eric Metaxes is providing for a whole new generation to experience heroes, not Marvel (although those are fun) but true persons of integrity, faith and purpose. Every young man and young woman should read his 7 Men and 7 Women. Well done!

I always benefit when I learn how other people overcame difficulties and made a difference in their world. This book is exceptional in that it doesn't gloss over weaknesses or mistakes, but gives us a realistic portrait of these women with whom we can identify. I also love learning about women I had never heard of. I believe there are many more out there, both from the past as well as those who are faithfully following their Savior today in many different arenas of the world.

Recommended if you want uplifting true stories about people- usually with a Religious twist. Very nice to read. I've shared Eric Metazas books with friends and family members. Refreshing stories.

Excellent overview of 7 remarkable women. Women , who through their faith, vision, courage and life determination left a huge footprint on history. Challenging and inspirational.

I enjoyed reading these mini-biographies about women that I may have heard of but knew nothing about. I really like Eric Metaxas writing style; it is very easy to read. I plan on reading more of his work in the future.

Amazing facts about some women you would never have known. I am studying this at church with other women during the summer. Very provoking women who became great in their time.

Catch a glimpse into the lives of seven great women. Be inspired by their intellect, courage, and testament to living out the heart of God in the trenches. It is both an invitation and challenge to all who read to do more.
