Customer Reviews

Another great coloring book drawn by Alberta Hutchinson. Her mandalas are pleasing to the eye, and soothing to your soul as you color and reduce your stress. Thirty-two unframed round mandalas, printed on one side only, so you can color with crayons, colored pencils, or markers if you use a page for backing. There is a blank page at the back, which is intended to be cut out and used to prevent bleed through. The pages are numbered, and not perforated. This doesn't bother me, I don't plan to remove the colored pages. I prefer Hutchinson's mandalas because of the crisp, black outlines and she does not make her drawings overly intricate.

These are great coloring books. Occasionally the black ink will smear or flake off but not so often

that I would not buy the book. There is one thing that I would like to see changed and that is removing the page number. Why does a coloring book need page numbers? I would recommend these books.

Love it!

Hours of fun.
