Best Sellers Rank: #7,185,428 in Books (See Top 100 in Books) #62 in Books > Humor & Entertainment > Puzzles & Games > Card Games > Solitaire

Customer Reviews

This is a perfect book for the solitaire fanatic who wants some new challenges. It is not the book for someone who wants to quickly find a solitaire game with a specific flavor, degree of difficulty or age recommendation. The book is one long list of games. The games seem to be organized by similarities in play. A particular game is introduced and then the next few games are modifications thereof. Unfortunately, there is no grouping of games beyond this. No chapters, no synopsis of the games. A look at the first few pages on this site will give you the complete flavor of the book. So if you want to dive in and play them all, this is a great book. Otherwise, it can be frustrating.
