This story is the conclusion of the K-9 series that reminds us of the consequences of redemption and retribution played out by two main characters. Throughout the whole series the overarching mystery has revolved around a man who cannot easily be identified, but is known throughout the crime syndicate as Â¢Â œThe Boss.Â¢Â • He has terrorized the Sagebrush community for years though has recently been ramping up his quests and without hesitation ordering the lives of others to be extinguished. The captain of the K-9 unit is the focus point of this story, and it becomes

apparent that all the occurrences over the last couple of years are somehow tied to him. Now the team of police officers with their K-9 partners must put together the puzzle pieces before someone else is placed in danger. Each book of the series beginning with Tracking Justice, Detection Mission, Guard Duty, Explosive Secret, Scent of Danger and Lone Star Protector have been filled with adventure to make a grand series of stories. The dogs and characters are hard not to care for, especially when faced with imminent danger. I better understand now why reaching the end of a series is hard for authors who become so attached to their stories. While I truly found the continuity and individual books fascinating, it is still hard to know that this series is complete. In the series, canines are shown to be attached to their handlers and vice versa. There are themes of love, hope, faith, and a score of budding romances. Facing the unknown brought many of the characters in contact with their deepest heart's desire: a relationship with the Lord or a renewal of that special relationship. It is my fervent hope that readers will read the whole series of these stories and enjoy them as much I did! There are more stories published by Love Inspired Suspense, and I for one plan on reading more of them in the days ahead. Will you join me?

Loved. This. Series. Holy cow! What a fantastic series. I enjoyed each and every book and honestly I couldn't really tell that each book was written by a different author. I loved how we had 6 stories surrounding the huge mystery going on in Sagebrush Texas. This one is the finale and one of the best ones. We finally get to read Captain Slade's story! This one concerns him and K9 dog trainer Kaitlin and her dog currently in training, Warrior. I loved this book and Lenora did a great job wrapping up the series. Please read each and every one of these books, they are so so good!!

This was the last book in the K9 series. Unfortunately the dilemma of the Shane and Kaitlyn were the same as in all the other books in this series, however, the anticipated plot resolution had some more depth. I particularly liked Worth's acknowledgement of God. The repeated theme of how faith in God carries you through the most dire of circumstances prevails throughout all of these books. Also the importance of family was another theme that was admirable on Worth's part. I love this example of faith and truth and was an important reason why I gave this book four stars. This was the best romantic suspense book I ever read because of the themes that were proven throughout the series.

Lone Star Protector K-9 trainer Kaitlin Mathers is saved from being kidnapped by Warrior a Belgian Malinois, Kaitlin is training and K-9 captain Slade McNeal. Slade's K-9 shepherd Rio had been

kidnapped, his father beaten and his son Caleb had been devastated in book 1. This book answers the questions in the others. Who is the Mask Ski Man? Why did he have Rio been stolen? Why wasn't anyone coming forward for the reward for Rio's return? Who has everyone so scared of The Boss? A satisfying conclusion. Thanks Lenora Worth

I just finished reading this book. It was the last book, number 6, in the Texas K-9 Suspense Series. Being the last book it finished everything and gave the answers to who did what to whom, what, where, why, etc, etc, etc, so it was the most waited for book! Each book was written by a different author and came out monthly, for 6 months. This series was excellant! I would highly recommend them to anyone!

First off, like to say that Lenora Worth is an awesome author, along with all the other writers who contributed to this series, Texas K-9. This is a great book and series that I would highly recommend. Through the series spans 6 mths of which five characters and books come together to solve a crime and catch a bitter, ruthless killer.

Lone Star Protector is the sixth great romantic suspense book in the Texas K-9 Unit series written by author Lenora Worth.

This was one of my favorites out of the series. In all the books you are wondering who The Boss is, will they get Rio back, was the corruption personal against the Captain. This book answers all the questions. I very much enjoyed them all.
