The British Polity

Synopsis

The British Polity is an engaging and comprehensive survey of the structure and process of British government. Offering an insider's analysis, Philip Norton examines the debates surrounding Britain's political history and culture, constitution, parties and elections, branches of government, media, and relations with the European Union. Throughout, The British Polity follows a theme of continuity and change that draws on historical and institutional knowledge and that helps to explain contemporary British politics.

Customer Reviews

“This is the best book available on British government. Norton explains perfectly how institutions work in practice as well as in theory; he gives a nuanced and balanced picture of both structure and process.”
—James Alt, Harvard University

"The British Polity" is an engaging and comprehensive survey of the structure and process of British government. Offering an insider's analysis, Philip Norton examines the debates surrounding Britain's political history and culture, constitution, parties and elections, branches of government, media, and relations with the European Union. GOOD BOOK

The book is good and looks just like brand new ! Totally worth the price. The speed is also fast only takes about one week to arrive.

Seller shipped my order on time. I was very satisfied with the speed and attendance provided by the seller.

You think you know British Politics? You will be amazed after reading this book

Quite simply Philip Norton bestrides contemporary writing on British Politics as an intellectual behemoth. His incisive and in-depth analysis is second to none. I would wholeheartedly recommend this book to anyone even remotely interested in the development and processes of the British political system.
