Gregory J. Wych, D.D.S., is the senior owner and a practicing dentist at two dental practices in Columbia, SC. He practices cosmetic, comprehensive and sedation dentistry at The Art of Dentistry in Irmo, and Vista Smiles of Columbia in downtown Columbia. He believes that in dentistry, discovering the cause of the problem is the key to resolving it and to preventing its recurrence, something he has done successfully for his patients for over 28 years. Originally from Cleveland,

Ohio (and a frustrated fan of Cleveland sports teams), Dr. Wych chose to stay in South Carolina after his active duty commitment and honorable discharge from the US Navy. Dr. Charles Martin, D.D.S. Born in Bristol, Virginia, Dr. Martin grew up just across the border in Bristol, Tennessee. He came to Richmond in 1975 after completing his BS at Virginia Tech (where he was co-captain of the football team). He graduated from the Medical College of Virginia School of Dentistry 1979. He has been delivering cosmetic, implant, and functional solutions for his patients for the past 30 years.

I really enjoyed this book! It has great information about all aspects of dentistry and the health of your mouth. It is easy to read and understand. I recommend this book to anyone that wants an easy read about teeth and much more!

Thank you Dr. Wych for writing this book: it is great to be able to understand so much more about my teeth and how they affect my health than I ever did before. You took a complicated topic and made it easy to understand.
