# A Hiking Guide To New Brunswick

## Synopsis

A Hiking Guide to New Brunswick, 2nd Edition contains general directions and tips for enjoying New Brunswick hiking, plus entries on over 90 trails. These include more than 60 new maps, synoptic information about each trail and a detailed description of the trail itself. For the second edition of this popular guide, H.A. and Marianne Eiselt rehiked the trails included in the first edition. Based on their experience, they have deleted some trails, added new ones, and updated all their directions. While this new guide includes some challenging hikes and several overnight treks, it also features many short, simple walks suitable for children. A Hiking Guide to New Brunswick, 2nd Edition contains a dozen of H.A. Eiselt's evocative black-and-white photographs. Hikers in boots or in armchairs will know what awaits them when they see Marianne clambering over boulders on Mount Douglas Bald, Welsford, or a family gazing out at the ocean from an observation deck on the trail at the Irving Nature Park, Saint John.

## Book Information

Paperback: 277 pages

Publisher: Goose Lane Editions; 2 edition (May 1, 1996)

Language: English

ISBN-10: 0864921888

ISBN-13: 978-0864921888

Product Dimensions: 4.3 x 0.8 x 7.3 inches

Shipping Weight: 9.3 ounces

## Customer Reviews

"Anyone planning to explore New Brunswick on foot should save some room in his or her backpack for a copy of this guide." — Canadian Book Review Annual (2012-05-08)

A Hiking Guide to New Brunswick blazes the path to happy hiking for novice and expert alike. For the second edition of their trusted handbook, Marianne and H.A. Eiselt made a new selection of over 90 choice trails, and they have hiked them all, collecting up-to-date information and adding descriptions, maps, photos, and a complete index.
