Customer Reviews

Alliance for the Arts, a private advocacy organization, publishes cultural guides and calendars for New York City and New York State.

This book is wonderful! New York is so immense that sometimes it's difficult to know where to take the kids for age-appropriate, family entertainment & educational fun. I grew up in NYC and was not even aware of all the available programs, shows and places to go with children. Our family has already enjoyed numerous ideas from the book. The best part is, the book covers all 5 boroughs - so no matter where you live, you can discover something new. (Who knew that there is a farm museum in Queens or a puppet theatre in Central Park?) The book is chock full of fabulous suggestions, and provides age recommendations plus phone numbers, addresses, & directions via public transportation for each destination. Parents will never again have to hear the words "I'm bored."
