Coloring Book For Tweens Or The Young At Heart

Synopsis

Relax, enjoy, or relieve some stress with these unique coloring book designs by Jenny Pearson. This book was hand-drawn for tweens or anyone who is young at heart. This coloring book is marker friendly (the back side of each page is blank), yet crayons or colored pencils work well, too. Makes a great gift for holidays or birthdays (like coloring book parties or contests).

Customer Reviews

Grand kids love it! I want one for myself!!

My daughter has had many hours of fun coloring. Wonderful book, so glad that I purchased it.

A great gift for my granddaughter. Always send colored pencils, also.

Xmas gift for my 9 year old great-granddaughter. Looked OK before I wrapped it. She, I am sure will love it.

Cute designs but the quality of the paper and ink the designs are printed in is subpar. The lines are light and slopchy-not what I expected. I give it 3 stars because my 7 year old won't care about that stuff. She can still color and enjoy it.

Perfect for grandkids!

I'm not very artistic and this book is perfect for my abilities and now my favorite book

Nice book for this age group. Sent to someone as a gift & they liked it.
