This book was edited by D.T. Niane who wrote down the poem, Sundiata. It is a detailed history of West Africa and is a good secondary text for people interested in Africa in the middle ages. I use the text as a reference for students who take my African lit class, so that they get a broader context when reading oral histories like Sundiata and Chaka by Thomas Mofolo.

This History book along with it's companion are a gift to my family we are making an attempt to collect the set.

unique work of minds!
