## Customer Reviews

What I love about Lauren Walker's work, and The Energy Medicine Yoga Prescription, is that it offers simple tools to help anyone get their energy working for them, which means no more rowing upstream against the current. *Seane Corn*, cofounder of Off the Mat, Into the World®

Prescriptions usually involve medications to help overcome illness. Medications change the body's chemistry and electromagnetic energy flows. This wonderful book teaches you how to do that using a different kind of prescription, one that is totally natural and has no adverse side effects. Drawing from the ancient discipline of yoga along with modern understanding and methods from Energy Medicine, this book shows you how to be a maestro of your own energies, bringing your body, mind, and spirit into greater balance, health, and vitality.

• *Donna Eden* and *David Feinstein*, coauthors of *The Energies of Love*

“Emerging science suggests that human health is not only linked to the function of the body but more importantly is found in what we cannot see, which is powerfully impacted by the energetic effect of what we think, see, and feel. The Energy Medicine Yoga Prescription is a must-read!”

• *Dr. John Douillard*, DC CAP, founder of LifeSpa.com and author of *Eat Wheat*

Lauren Walker's Energy Medicine Yoga Prescription teaches us to rebalance our subtlest energies and heal from the inside out. With this vital reference, you will learn how to cultivate an authentic connection to yourself, build stellar habits, and develop a real relationship to your own wellness.

“By marrying tantra yoga and Energy Medicine, Lauren Walker has created a unique path to healing, a path of love. By using her brilliant and accessible energy techniques, we can all activate our internal prescriptions for health and restore balance in body, mind, and spirit.”

• *Cyndi Dale*, author of the Subtle Body Energy books, including the Encyclopedia, Practice Manual, and Coloring Book.

After all, both are designed to move energy through the body and the chakras for greater aliveness and well-being. Both are based on ancient, tried-and-true methods. Lauren Walker has done a great job of charting five element theory, yoga, the meridian system, and many other wonderful tools to enter the state of union that yoga is all about. • Anodea Judith, PhD, author of Chakra Yoga, Wheels of Life, and Creating on Purpose “The Energy Medicine Yoga Prescription is a guide for the person who wants to increase their health and vitality and knows that the most effective path is one that combines physical, intellectual, and spiritual dimensions. The secret sauce to that outcome is through the energy system of the body, and Lauren Walker offers a multitude of easy-to-apply methods to affect that system through breath, diet, tapping, movement, gratitude, self-compassion, and much more. • Craig Weiner, DC, and Alina Frank, Emotional Freedom Techniques (EFT) International Trainers; author of the bestselling How to Want Sex Again: Rekindling Passion with EFT “In The Energy Medicine Yoga Prescription, Lauren Walker pierces the superficiality of the yoga culture and shares powerful practices from the depths of ancient yogic traditions that will create a powerful impact on your health and healing. • JP Sears, author of How to Be Ultra Spiritual “A wonderful, pragmatic book illuminating the energy body and how to work with it for optimum health! • Acharya Shunya, author of Ayurveda Lifestyle Wisdom “Thrilled to see healing integrated into daily practice in this
