Synopsis

This tasty tribute to the pierogi takes a familiar wrapping and stuffs it with a host of unconventional, innovative, and decidedly non-traditional fillings. With 60 sweet and savory recipes that include everything from the classic Polish cheddar and potato offerings to American-inspired Reuben pierogies and fried apple pie-rogies to worldly fillings like falafel and Nutella, there's a pierogi for every party and every palate! Each recipe comes with a charming story from Barber's extensive explorations in pierogi flavors. CASEY BARBER is a freelance food writer, photographer, and editor of the critically acclaimed website *Good. Food. Stories.* Her work has appeared in numerous national publications including *Gourmet Live*, *ReadyMade*, *Today.com*, *The Kitchn*, and *DRAFT*. Casey is also the author of *Classic Snacks Made from Scratch: 70 Homemade Versions of Your Favorite Brand-Name Treats* (Ulysses Press, 2013) and the co-writer of *Inspired Bites: Unexpected Ideas for Entertaining* from Pinch Food Design (Stewart, Tabori & Chang, 2014).

Customer Reviews

"What I adore about *Pierogi Love* is that it does for pierogies what my blog has done for cupcakes – it pushes the boundaries of pierogies. The book begins by sharing a basic savory and a basic sweet pierogi dough and detailing assembly, cooking, and storage procedures. Then, it moves on to the fillings. This is where the book gets fun! " (Stefani Pollack Cupcake Project 2015-07-27)"I must say these pierogies are a great option to have available at your holiday festivities." (Kristina Gill Design Sponge 2015-07-03)"What we loved: The overall creativity and variety that *Pierogi Love*

delivers to dumpling lovers. Greek Lamb, Santa Fe-rogies, Maple Breakfast Sausage, and even Cheesy Pretzel Pierogies. We could have a different pierogi every week for over a year! There are no shortages of sweet variations either. We are eager to try Sour Cherry, Nutella with Bananas Foster Sauce, Fried Apple Pie-rogies, and Pineapple-Coconut Pierogies. We are excited when a cookbook brings us wonderful choices and unusual twists on classic recipes." (Jenny Hartin Tastebook 2015-07-13)

CASEY BARBER is a freelance food writer and photographer, editor of the online magazine Good. Food. Stories., and the author of *Classic Snacks Made from Scratch: 70 Homemade Versions of Your Favorite Brand-Name Treats*. Though she'll always be a Pittsburgher at heart, Casey lives in New Jersey with her husband, two cats, and a freezer full of kielbasa, sour cherries... and pierogies.

This is a wonderful book, a ton of fun and easy to use. Anyone who doesn't love dumplings of some sort is not a proper Homo sapiens, and the pierogi is one of the best. As Casey illustrates, you can basically make the pierogi your own by filling it with... whatever. And she does. I am especially fond of her braised short rib pierogis, which I made with venison. Best part of the book: Her master recipes for the dough. Memorize these and you are off to the races with whatever filling suits your fancy. Regret: I wish she had more traditional pierogi recipes. I know the focus of the book is on a modern take (thus the title), but as this is likely to be the best pierogi book you'll ever buy, I would have welcomed a few more old favorites. Regardless, this is a worthy addition to your cookbook collection.

Being from Pittsburgh myself and a pierogi lover, once I saw the dedication "To Pittsburgh, which always has my heart", I knew I had to get this book. I got one for myself and one for my sister as a Christmas gift. I've only made one recipe so far from the book (the potato and cheddar filled). I had tried my hand at making pierogies years ago from some old recipes, but they would fall apart in the water. When I followed the directions in this book they came out great, and not one fell apart. The directions and notes in this book are detailed and helpful for a quality end result. Looking forward to trying some other of the recipes. A couple notes when making the recipes:-Have a large chunk of time - this one batch took me most of the afternoon from start to finish, but I was enjoying the process...-Add salt to taste for the filling (mine was too salty after following the recipe) Regarding the gift copy, my sister wrote to me: "VERY MUCH looking forward to trying all the really, really cool pierogi recipes. That book is awesome!! Thanks again!" So I'd say she likes it too :)

Best pierogi book out there, period. Tons of ideas to contemporize your pierogi cooking. I wanted to elevate mine and this book really helped give me ideas.

This recipe book has every derivation of pierogi that you can think of (and a bunch more that you didn't think of!). The pictures are beautiful. I highly recommend it!

I have been making cheese, sauerkraut, and potato pierogi for over 40 years. This book is very interesting in that it has recipes that cover a very wide range of fillings. Some of these fillings are "exotic" for my taste; such as peanut butter, nutella, Jalapeno mac & cheese, etc. For this reason I only gave it 4 stars.

For those that have never made pierogies, the recipes are easy to follow, and the options are plentiful...for those experienced with regular potato pierogy-making will enjoy the large variety of fillings offered. If there is any classic sandwich, it is offered here in the form of a pierogi. While I would personally choose not to eat certain types of fillings, there are plenty of recipes to please every palate, both sweet and savory.

I got this for my mom, it has a huge variety of recipes that she's looking forward to making with simple instructions.

awesome recipe book
