Customer Reviews

This book is highly informative and fun to read! It's a great insight into a newcomer's life in Jerusalem. I like the style of log type entries that give a day by day description of adjustment to life in Israel and all the experiences that go with it. Fun to read! I highly recommend this book!

For anyone whose heart or soul is in Jerusalem I recommend this book - it will warm you like chicken soup or kubbeh soup depending on your background. Mrs. Simon brings a delightful eye that puts fresh invigorating light on many corners of Jerusalem life. Her stories turn the hidden into wonderfully colorful and the mundane into lively and interesting. Her skills at describing life in her beloved city give us Jerusalem at its very best. Thank you Mrs. Simon!

A fantastic book. Well worth reading!
