The Cold War: A History Just For Kids!

Synopsis

In this book, we will be learning more about the Cold War, and we will talk what were the things that motivated the two countries to compete with each other for over 40 years. You will find sections in here that divide up our study of the Cold War into six different main ideas. Find out about this exciting and complex period of time in this kid's book.

Best Sellers Rank: #1,268,735 in Books (See Top 100 in Books) #79 in Books > Children's Books > Education & Reference > History > United States > 2000s

Customer Reviews

The content made sense, although it doesn't have many text features to help the reader further their understanding on the topic. There are better books available for upper elementary and middle school. Would be appropriate for students who already know a lot about the topic.
